Submission: Objection

Comments: As procedures have not been correctly followed i object

1. no notices posted
2. alternative brown sites not been assessed with proven responses
3. this is green belt
- 4 batteries are NOT green
- 5 noise, safety during construction and after.
6. company name change after being refused solar farm so back for another go
7. spend more money then use brown sites instead of just seeking profit.
8. once this is used its no longer green and we can not get that back.
9. documents not opening on this site - therefore lack of information

thank you
