Comments: We do not have the infrastructure in Buxton to support this. It has just taken me 10 months to get a routine test at the doctors as they have no staff and cannot cope with the patient numbers they already have. A number of new properties have gone up in harpur hill and we have not yet created the resources we need to deal with this.

Also we are a tourist town and if this plan goes ahead we will loose millions in tourist income as people will not come here
