Subject: RE: DET/2023/0010 Environmental Health Consultation#

Hi James

Thank you for the clarification on the lawful use of the site.

Yes, I object on noise and odour grounds. We regularly got odour complaints from the site when it was operating. I think the buyer of the land has the surname "Redfern". I don't know if this is the same family that owns the incinerator/knackers yard at Flagg, and Harpur Hill abbatoir
