Comments: The police have already raised concerns about this application and I fully support their concerns.

The location is too close to already existing issues in Fairfield Road with drugs and ASB.

This is a change from temporary accommodation to permanent accommodation.

Insufficient police to Cover the area already.

No adequate infrastructure to sustain this.

We have the stupid roundabout to nowhere which was a waste of time and money and disruption to local residents.

Can this not be modified to offer accommodation to families or elderly.?

Why was this a closely guarded secret until after the local elections?
