Submission: Support

Comments: I would like to add my support for this application. A campsite in our village would support local businesses and allow a greater diversity of people to enjoy the beautiful area. I note that last year they ran a successful DoE scheme from this site, with a view to doing more. These sorts of activities are vital for our young people to grow and value the countryside and nature.

Looking at the plans, they have ensured that the site is well away from properties and access, whilst not ideal as the road is a busy one, shouldn't cause any major issues.

A village needs new blood to survive in these tough times and ventures like this should be encouraged.
