Dear Sir

I was born and lived in Glossop and have lived here all my life went to school here which in them days you could choose which school you went to and regarding doctors if you were ill they would come and visit you now you cant even see a doctor and cant even see a dentist. If you build more and more houses there is no doctors no dentist and no schools. Why please tell me do they have to build more houses I now live on Dinting Vale you cant get to it if you have to go to hospital you have to set off two hours early to get to your appointment Dinting Vale is grid locked most hours of the day it can take an hour from my house to get up Malttram Moor and on a Sunday you cant move on Dinting Vale for bloody cars so please do not build 100 houses near me we cant even park outside all our house sometime because of people with two or three cars themselves so that is why I am writing this letter. The bloody building company is only interested in making money not the lives of people who live on Dinting Vale

(NO More Houses)

Yours Truly
A Richardson (76 pensioner)
