Submission: Objection

Comments: I strongly object to the conversation of the student accommodation into Immigrant holding facilities. This proposal would have a terrible affect on the local area and place vulnerable residents at risk. Buxton is a very close community where everybody respects each other and welcomes a wide variety of tourists. The provision of an Imigrant housing facility will undoubtedly deter tourists from the area, which will be detrimental to the local economy. I note that the company proposing this absurd idea is based in London, obviously a case of Not on My doorstep policy!
