Comments: What does Derby University think these people will do all day in Buxton?

Theres only so much site seeing you can do.

I suppose Derby University won't be giving them any spending money so they can go & get a coffee or Greggs.

They don't need to be here & to be honest we don't want them here.

What we do need is affordable flats for young local kids to help them get a foot on the housing ladder which this place would be ideal for.
