Submission: Support

Comments: We fully support the application to increase the day allowances for their campsite.

I understand that the road through Tintwistle can be extremely busy but if Deborah does unfortunately have to come to the decision to sell the bottom field, developers will more than likely end up packing new builds onto that land and add however many cars to that daily traffic.

Deborah has made the boundaries of the proposed campsite clear and shows it will be away from the housing boundaries.

As someone who has lived directly across the road from the gate to the field, I have never experienced any problems with noise or rowdy campers.

The support to local businesses that the increased days will bring would be hugely beneficial, especially after all the lost revenue due to covid. Not only the businesses in Tintwistle would benefit, but those spreading out into Glossop.

Good luck to those at Crossgates and I hope you see success.
