Comments: Our property is no doubt the most affected by this application as the entire length of my front boundary and driveway entrance is directly opposite and runs parallel to virtually the full length of the ménage on the opposite side of Woodseats Lane - some 5m away.

We have lived in our property since 1999 and never found any reason to complain about Carol providing "excessive" horse riding lessons to a variety of small children and all types of adults and see no problem with the increase that she now wishes to implement. After all, Charlesworth is a well known area for the provision of all types of equine facilities and Charlesworth Stud is simply one of many and the proposed increase in the number of hours per month is not an excessive amount and will not cause us any disruption to our daily life.

We support this application.
