Nunsfield Road
High Peak
Buxton

Submission: Objection

Comments: I have concerns regarding this application for the following reasons-

The area is at risk of flooding - more housing would only increase the chances of future floods.

Buxton suffers with traffic congestion coming into town from the A6 particularly. An increase in vehicles would cause more congestion and air pollution.

Schools, health services and emergency services would be under pressure to provide for more residents.

Loss of green space is detrimental to the environment and to wildlife.
