Submission: Objection

Comments: Given the specific circumstances and background to this proposal Chinley, Buxworth & Brownside Parish Council raises no objection in principle to re-building the barn, provided that it is re-built in the original stone, the footprint is the same, and all other design features (e.g. fenestration) remain as originally approved so that the historic form of the barn is retained. In addition, the Parish Council accepts the proposed dual-pitched roof in place of the mono-pitched roof, having regard to the photographic evidence that it would restore the original form of the barn.

However, the Parish Council strongly objects to the proposed single storey flat roofed rear extension, which is both inappropriate in design and appearance and did not form part of the original building or the approved conversion plans.
