Hogshaw Villas Road
Hogshaw
Buxton

Submission: Objection

Comments: Please don't! The little wildlife area will be dramatically and irreparably destroyed and it is home to so many species of flora and fauna, it would be a travesty to destroy it. It's a beautiful little area frequented by local people and visitors from further afield, a lovely place to take a walk by yourself or with friends/dogs etc. I moved to my road a little over a year ago, I don't have a garden, so this area was pretty much a selling point for me and my dogs love it. It is kept reasonable clean and tidy due to local people doing regular litter picks etc. Building so many houses will also have a massive impact on local amenities such as dentists, doctors (particularly relevant to the recent news regarding the new doctors hub near the Railway station!). I also feel that Hogshaw Villas Road will be used as an unofficial thoroughfare and the Road and the little bridge would not withstand any amount of heavy traffic. Please, please reconsider this planning application.
