Buxton Comments by: Christine Draper
From:

Bank Cottages
High Peak
Hayfield
Derbyshire

Submission: Objection

Comments: As a Mecca for tourists, Buxton is not cheap to live in - especially if you are on benefits, which the immigrants will undoubtedly be on. There is great demand from local people for accommodation and we should ensure that they are catered for before we invite anyone else into the area. We should also consider the knock on effect that bringing more people into the area will have on local healthcare, education and policing.
