Submission: Objection

Comments: I object to the plans to house asylum seekers in the centre of Buxton for the following reasons.

- 1) A highly popular tourist area does not need the mainly young single men who seek asylum, often not law abiding.
- 2) We do not have enough Doctors, dentists, hospital facilities etc. for our local residents. Have any of you bright sparks on the planning committee of High Peak Borough Council tried to get a Doctors appointment recently. Not easy is it?
- 3) The services of the Police, the Ambulance services, the Paramedics, are bursting at the seams now, the town does not need the additional pressure that asylum seekers would add.

A far better idea would be to turn it into affordable housing for the existing community of Buxton.
