The screenshot displays the Spectrum Spatial web application interface. The top navigation bar is purple with the Spectrum Spatial logo and icons for settings, a plus sign, and a layer stack. Below this is a search bar with the placeholder text 'Postal code, Name or Address'. To the right of the search bar is a location pin icon and the coordinates 'X: 401867 Y: 394393'. Below the search bar is a dropdown menu labeled 'LCN_Proposed' with a blue circle containing the number '1'. The main content area is a map showing a residential area with a proposed route highlighted in orange. The map includes various features such as roads, buildings, and green spaces. A scale bar at the bottom left indicates a zoom level of 10 and a distance of 50 meters. The bottom status bar shows the time as 10:29 and the date as 06/07/2023.
