Comments: The property would be much better put to local use. Some could be converted to larger 2 bedroom and 1 bedroom flats. Council in partnership with university could rent them out. That way you keep control of who lives there. Also building manager. I'm not against refugees I just don't think Buxton town centre is right place for these people. They would get blamed for every crime in town. Certain ones would look to take advantage of them. That is not fair to them or good people of Buxton. I'm a resident of 34 years .
