Submission: Objection

Comments: I strongly object to the proposed plans. The town already has to many new estates and absolutley no additional services such as new schools, hospitals, doctors, dentists to support the extra people. This would add additional strain to an already creaking system in the town. Any new money should be chanelled into increasing services and put towards helping the younger generation in this town.

Unfortunately all the existing plans will do is drive a bigger wedge between the council and the community and as others have said it will have a negative impact on the tourism industry for Buxton
