Comments: The County has not got enough housing for people of the High Peak, let alone asylum seekers.

Housing and Services are minimal and tax payers are being stung from their own pockets. Also why are people nearing state pension age being punished? Because the hierarchy have no sense of monetary dealings.

There is not enough Drs, Dentists, schools and other Public Services to comfortably support this.

The Country is in dire straights and the NHS is on the verge of collapse and the economy is very volatile.

The reason being the Government are using all the tax payers monies to accommodate these people.

Why should we tolerate this?

I strongly object as a High Peak tax payers.
