Submission: Objection

Comments: I object strongly to the proposed housing of in the town of Buxton for safety reasons for both the and the town people for the following reasons -1 the town is too small and not equipped to house such a great number of . 2 I was a nurse at Buxton hospital for many years on nights , trying to deal with all the fights that happened when any young people came into the town from the surrounding villages . Just imagine what mayhem such an influx of will cause . The police can't deal with the amount of crime that is committed in the high peak at present !! So I strongly advise against this stupid proposal of bringing such trouble into the town and endangering the lives of my family and friends i. There is very little for young people to do in this town as it is besides inflicting the residents with even more trouble !!!
