Comments: This application is wrong for Buxton. It's tourism and demographic

Population will change dramatically with the number of

Young male asylum seekers influx into the local community.

They will have little to do other than hang around on the streets of Buxton

I've seen this in large spoon fulls in Boston Lincolnshire and that's

With migrant workers. I object completely to this application. Please listen to your community.

Your voter's and those that want a better place for children to grow up.
