Comments: I believe that a town of the size of Buxton should support 30 asylum seekers and this proposal goes far beyond that .There is little to occupy the young in Buxton at the moment and the town is emerging as a cultural place to visit with many restaurants.It has had to embrace change to survive .The high street has to embrace this and become a place to stroll and feel safe ¿At the moment it isn't and to then bring 200 young men into the mix will not attract the visitors it needs to survive .This is a money making exercise for the university with no thought to Buxton ¿s future .
