Comments: Buxton is a nice Town apart from Fairfield Road which gives visitors a reminder of how Notting Hill used to be prior to regeneration. With a bit of the Council funds spent on regenerating what could be a welcoming site for Tourists which in turn would attract more money to the local community. Whereas those funds spent on the planning to invite Asylum seekers to the bottom of Fairfield Road cannot hold well for the future of Buxton & it's many local families still on a long waiting list for local housing
