Submission: Objection

Comments: I strongly object to this proposed change of use. This site is not suitable for use as an asylum dispersal centre as there is no local infrastructure to support their needs. However it is perfect for conversion to affordable housing which is much needed in the high Peak. This extract was taken from the High Peak Council website "We have more people on our housing register than properties available, therefore it is not possible to re-house everyone who applies and it may take a significant amount of time for those that we do re-house."
