Submission: Objection

Comments: .why would you want to bring non paying tax people that;s going to cost the council high peak borough and the Buxton residents more money in to the town and put more strain on our doctors dentists that we who live here are having to wait FOUR WEEKS for an appointment NOW, why not benefit the people that live here and integrate all the doctor;s surgeries there or make it a social place for youngsters and put advice centres and C.A.B and tourist information in there it can be put to much better use than this appalling idea your an absolute disgrace you need to help your own people first there are plenty of local people that need help first I will contest this all the way
