Comments: Buxton does not have the capacity for any more residents, there is not enough police, schools, doctors, dentists etc as it is. We don't know the history and what crime they will bring to the town and the town will become a less safe place for our own children to grow up. What happens when decide the residence of this old student accommodation is not good enough and they want their own houses instead, will they then get housed over the people of Buxton needing the housing??
