Comments: Buxton, which should be a beautiful spa town already has a massive antisocial problem as it is. Fairfield Rd consists of rented houses which appear to be occupied by drug users. Adding in a huge building full of asylum seekers will only compound the problems which are already prevalent in Buxton. We should be looking towards bringing in businesses that will encourage the growth of the economy and placing responsibilities on landlords to keep their properties in good condition to help encourage the tourist trade in Buxton, not adding in more poverty which can only lead to more crime, whether it is racially led or just theft due to poverty. This is not what Buxton needs and will only be detrimental to our beautiful town
