Submission: Objection

Comments: I am aware that Buxton Police have expressed concerns about this proposal and subsequently objected stating that the site is unsuitable and have referred to the drug related issues on Fairfield Road. There are not enough facilities in Buxton, such as GP's, schools, and dentists to manage and meet the demands of the residents of Buxton as it is, let alone a further 247 people. There is huge demand already placed upon services and resources, in the small town of Buxton, so it would be reckless for this plan to go ahead. Buxton is not big enough to accommodate an asylum dispersal centre, and the likely complex needs of those seeking residence in the UK.
