Submission: Neither

Comments: The application is for a lawful development certificate for occupation by non-students. I think the application should be refused as the occupants will have no occupation during working hours and this will cause massive problems in an already deprived area. It can only lead to further problems. If Derby University want to help this group of people they should do it in Derby where there are many more facilities. Also, as the University is only a leaseholder of the property surely the owner should be requesting this?
