Buxton

SK176FD

Submission: Objection

Comments: I am deeply concerned about this application. This is a small town with an already fragile infrastructure. If this goes ahead, it will kill tourism & the residents will likely stay home so will have a negative impact on local businesses. I can't see a Doctor now, this will make it impossible. I, along with many others will stop going out at night & spending money. It's dangerous on many levels if this goes ahead.
