Comments: Hi, I am the end house next to the Rugby Club, the new houses will be next to my house. I have looked at the application and would just like to know what will be in place as a boundary edge. The lleylandi trees I planted some years ago for privacy are overgrown and tatty especially from the rugby club side, my trees from that side are an absolute eyesore and needs chopping down, a high fence would be very nice, I also would add that we do not object to the application.
