Submission: Objection

Comments: I object to this proposal. This is of no benefit to Buxton and its inhabitants, the council are running the town to the ground with high fees and wasting money. If you want the town to become derelict as businesses move their custom elsewhere, families move out of the town then you are heading the right way.

Why not use it to promote tourism, affordable housing, NHS. Work with your community to get the town to thrive again, instead of killing it off by strangling our services with max capacities.
