Comments: Locals struggle for NHS dentist

I tried to get drs appointment 2 days ago, I was told September is earliest appointment.

Dear Mr Totton,

The surgery is currently experiencing extreme pressure.

To keep patients safe when there are no more available appointments for today at the surgery, our Care Navigators/Receptionists will help direct you to other NHS services. This may include NHS 111 or walk-in centres.

If you are unsure if your problem is urgent, please contact us and our Care Navigation/Reception team can assist you.

Many thanks,

Buxton Medical Practice

I received above message from drs showing that drs are under extreme pressure so adding more people is a ridiculous idea

The police have objected

The people of Buxton object

Do not do this it will ruin Buxton

If any crime comes to Buxton if this gets passed I as will the town hold hpbc responsible.
