Comments: I object to this application because we cannot provide adequate resources to the current residents of our town as it is. There are no NHS dentists anymore, my daughter who has SENs does not get the support she requires (she has to attend a MAINSTREAM school which cannot provide for her needs but there is no funding available) and I am also incredibly concerned that the police service will not be able to cope with the increased demand on their services that this will inevitably create. I am concerned for the safety of my children walking home from school (their school is very close to the proposed dispersion centre). I believe this will impact the tourism of our beautiful town and will be the death of it. If this goes ahead, I feel no option than to move out of the town.
