Comments: As a buxton resident born & bred, I do not believe that the high peak halls in Buxton, is a relevant site for an asylum dispersal centre & would not do the town or tourism any good, if anything it would cause more harm than good for our town & its residents, we also do not have the infra structure to accomodate such plans for an asylum dispersal centre .

I believe the site should be used for affordable accommodation, it's hard enough with the cost of living g etc for families & younger people to find anything suitable as it is
