Submission: Objection

Comments: As a woman, and a mother of four; three of whom are girls, I object strongly to this application. You need to consider the safety and welfare of the lives of those already living here in Buxton. Putting lives of those who reside here by introducing young men who are here illegally is not safe, considered or fair. I already have experience of being harassed by Albanian men some years ago. I am severely disappointed and shocked that such a plan has been proposed for a small, rural town. I am equally shocked that the opinions and thoughts of the residents appear to be null and void. That is not democracy. Please withdraw this application for the safety of the inhabitants of Buxton.
