Comments: Planning application HPK/2023/0189 change of use High Peak Halls - Objection

As a life long resident of Buxton it saddens me to see our town going downhill. With the building of all the new housing estates up Harpur Hill our infrastructure just can not cope with the ever growing population. Housing asylum seekers, refugees or illegal immigrants would only exasperate this situation, putting even more strain on our already inadequate services.

There is already a huge demand on local resources:

It is becoming almost impossible to get a doctors appointment.

Not enough local Police presence to maintain a safe neighbourhood. Or attend call outs in a timely manner.

We are already experiencing frequent power cuts and slow internet services due to the infrastructure not been able to cope with current demand.

A town the size of Buxton just does not have the resource available to house asylum seekers, refugees or illegal immigrants.

I truly hope our local government will refuse this application.

Yours faithfully

Lyn Sidebotham
