Comments: Buxton has a lack of housing for our own towns young people this development will be a disaster for everyone who works and lives in the area.

We can't get a doctor or dentist appointment at the moment and the lack of police together with landing 500 or so in the town with nothing to do will be catastrophic for everyone. Crime will definitely rise as it has done everywhere these people have been placed together with social differences it's a recipe for disaster.

This development should be for our own community not none tax paying individuals
