Submission: Objection

Comments: To make this move will finish buxton ,our doctors ,schools ,hospitals are already struggling ,no checks on people will put our youngsters at risk of all sorts ,no police patrols and crime set to soar what a shame for a quaint little town with so much history, greed is not the way forward for future generations and preserving buxton to be a nice town , we cant cater for more people especially people without checks when buxton struggles already to help its residents , I had a text the other day to say my doctors in buxton was not taking any more appointments for the future and to call 999 or 111 if medical help was needed and I know alot of people who have had this text so with nearly 290 new residents again locals pushed to back of que,buxton is set to become a dirty drug ridden shopless crime embroiled town
