Comments: This application would result in a huge change to Buxton, it's people and our tourism. Any housing of this magnitude should be offered to the population of Buxton who are having housing problem. This should all be put to the People of the High Peak to vote on. The High peak college should be kept open for the young people to attend, many students can not afford to travel to other colleges. This application will completely ruin the whole of High Peak and increase crime it will affect the housing market causing hardship to households.
