Submission: Objection

Comments: I find this quite unbelievable that the council would even consider bringing more people into the town of Buxton. My husband has received this generic message from his Doctors Surgery last Monday

The Surgery is experiencing extreme pressure and to keep patients safe Receptionists will help direct you to other NHS services. This may include NHS 111 or walk-in centres

Our Doctors can't cope now and to bring in more patients into the area is ludicrous.

I have no doubt it will have an adverse affect on all our services
