Comments: This small spa tourist town is already struggling, our police are already stretched, our dentist and doctors are over stretched. We have no facilities in buxton apart from a swimming pool. Our Bus drivers need to be paid danger money and our schools are very underfunded and we are now going to try and house on top of all the very expensive new housing developments going to try and house 300!!!! How can our little town take anymore? Help our town don't damage it beyond repair our businesses won't survive.
