Comments: I strongly object to this application. Buxton is a small town that is already over populated. Not enough GPs, Dentists, recreational or other amenities. We do not have the facilities to take refugees into our town while they wait for their applications to be heard.

What will this population of 300 men do all day!!! Hang around Spring Gardens begging? Who will pay for interpreting services so they can communicate at appointments etc? We do not have the services available to support this application. Tourism will be compromised. Buxton has steadily declined over the years this application will kill it.
