Submission: Objection

Comments: I reject this planning proposal, because Buxton is a small market town, which doesn't have the infrastructure, the school places, the GP places, to support the extra people housed in the building. We have too many new houses as it is, and we are going to struggle accommodating these people as it is. Buxton is not a multi cultural town and I feel this will cause stress amongst the residents, this type of facility should be in a city environment.
