Comments: Can this town accommodate any more people - we, as a family, have to travel miles to an NHS dentist, whilst my cousin had to pay £3000 for dental treatment as the acting list was over 2 years. Trouble getting a doctors appointment and general facilities in the town are seriously lacking - ie no public toilets in the main town precinct. With nothing to do in the town after dark, except drink, the young men you plant to house here, will no deal become very agitated, as we have seen in other towns, this is a dangerous combination - I seriously object and reject this application
