Comments: Buxton is a big tourist area, I, myself included. If the proposal goes ahead, then the numbers of tourists will diminish greatly, if not completely, as the sense of security in the area would be lost and tourists/shoppers would avoid the area/town. Added to the fact that the proposed building is directly within the towns main shopping area, this would result in the whole town suffering a huge economic downfall, and subsequently bring the town/area into financial ruin.
