Comments: Although I no longer live in Buxton my family do, can you guarantee my familys safety? who is vetting the new illegal residents of Buxton and who if and when an innocent resident of Buxton is accosted will be culpable (somebody must be accountable),Buxton is a small tourist town and with the high street losing its polish over the last few years the only thing installing illegal imigrants in will do is kill the town completely. if the council want them then the individual councillors should share their houses. if they dare.Thank You.
