Submission: Objection

Comments: I strongly object to this proposal. Buxton has recently been named as the most dangerous town in Derbyshire for young people due to the amount of drug dealing, county lines issues, extreme intimidation etc etc. The proposal to house vulnerable asylum seekers here simply feeds this issue. It is completely unfair to the people of Buxton as well as unfair to those you intend to house here. There is a shortage of NHS dentists for the people in Buxton as well as the struggle to access doctor appointments and urgent ambulance assistance. Please please think of fixing the dangerous issues that Buxton is presently facing instead of sticking your heads in the sand and adding to the problems. I can see the outside drug dealers rubbing their hands together and the police with their head in their hands. Don't do this.
