Submission: Objection

Comments: I wish to object to the proposals on the following grounds. Buxton is a small market town whose economy is heavily dependent on tourism. It's totally unsuited to be a migrant dispersal hub. Hundreds will find themselves in a town with few opportunities for employment and little for them to do. Other locations that are now housing irregular migrants are experiencing many problems. It's unreasonable and unrealistic to think it will be different in Buxton. The eventual impact and the loss of visitors and tourism will be devastating for the local economy. Buxton will no longer enjoy a reputation as a safe place for locals and visitors alike. The town will be sacrificed to suit the narrow interests of the University of Derby.
