Comments: I 100% object to this planning application. We are a tourist town and I think it will be detrimental to us. We haven't got the infrastructure to support this. You are already building 1000s of houses up harpur, Fairfield and dove holes with already doctors, dentists and schools not being able to support the number of people in this town as it is. As a mum with a young family, it worries me the impact it will have on her. Please listen to the people of this town and object to this.
